*ELECTED TO OFFICE

The evening meeting opened at 7pm by Moderator, William Prigge. Flag salute by the Boy Scouts and Girl Scouts. Prayer by Rev. Lynda Tolton. Motion made and seconded to waiver the reading of the entire warrant at this time.

ARTICLE 2 - To hear and act upon the reports of Agents, Committees and Officers heretofore chosen. Susan Link made motion and it was seconded to accept the Town Report as written. Tom Parker spoke about the Industrial Development Committee. They have compiled a telephone directory and anyone wishing to have their business included should contact the committee. Mr. Blumn spoke about the "Adopt a Road" Program and encouraged people to help. John Tommila spoke about the Monadnock Regional formula that was voted on March 4, 1995 and the effect it would have on our taxes. Selectmen William Davis presented a gavel to Moderator, William Prigge for the twenty-five (25) years he has served as Town Moderator.

ARTICLE 3 - Voted to have the Selectmen appoint a committee to have charge of the Memorial Day exercises. Joan Knight made motion and it was seconded. She reported that Robin Haynes and Lola Grab had served last year. Motion passed.

ARTICLE 4 - William Davis made motion and it was seconded to raise and appropriate the sum of $16,000 for painting and repairing the Town Hall steeple and clock. Motion passed.

ARTICLE 5 - Edwin Mattson, Jr. made motion and it was seconded to raise and appropriate the sum of $28,000 for the reconstruction of 2500 feet of Richmond Road (the Richmond Road to Bull Run), from the Edwin and Iris Grove property near Angier Road westerly to Route 119. This article was amended to raise and appropriate the sum of $20,800.00. Motion passed as amended.

ARTICLE 6 - Edwin Mattson, Jr. made motion and it was seconded to raise and appropriate the sum of $30,000 to overlay (pave) the entire length of Lower Troy Road, and the section of Templeton Turnpike from the Winchendon Road (Route 119) at the north end of the Common to the Fitzwilliam Community Church. Motion passed.

ARTICLE 7 - Edwin Mattson, Jr. made motion and it was seconded to raise and appropriate the sum of $30,000 for sealing (oiling) of town roads. Motion passed.

ARTICLE 8 - Edwin Mattson, Jr. made motion and it was seconded to raise and appropriate the sum of $28,000 to construct a salt/sand shed on Town property behind the Highway Barn. John Tommila spoke on this article and said that he could do this project for $17,000.00. Edwin Mattson made motion and it was seconded to amend this article to raise and appropriate the sum of $17,000.00 to

construct a salt/sand shed on Town property behind the Highway Barn. Article passed as amended.

ARTICLE 9 - Edwin Mattson, Jr. made motion and it was seconded to authorize the Board of Selectmen to enter into a four-year lease agreement for the purpose of acquiring a one-ton pickup with plow and hydraulics for the use of the highway department, and to raise and appropriate the sum of $8,600.00 to cover the first year's payment, and to dispose of the 1987 Ford automobile and 1984 Chevy one-ton pickup, with any proceeds from the sale of said vehicles being used to offset the 1995 lease payment. This article passed as amended.

Louise Germaine asked if Article 28 could be brought forward at this time to be acted on. The Moderator said that it was in order.

ARTICLE 28 - (By Petition) To see if the residents will vote to direct the Board of Selectmen to remove the current Road Agent from office for failure to perform the duties of his office in an acceptable manner. Voted to indefinitely postpone this article.

ARTICLE 10 - Joan Knight made motion and it was seconded to raise and appropriate the sum of $2,000 to support the operation of Meadowood County Area Fire Department. Motion passed.

Special Town Meeting
August 26, 1995

A Special Town Meeting was held at 10am on August 26, 1995 to act on the following Articles:

Article I - (By Petition) - Voted to transfer to the Fitzwilliam Fire Department Inc. the 1977 Chevrolet Rescue Truck which was originally donated to the Town of Fitzwilliam Fire Department, Inc. Some discussion on the floor about the Article, and the vote was taken as a Yes & No vote from the floor. Voted in the affirmative.

Article II - (By Petition) - Voted to accept a gift from the Fitzwilliam Fire Department, Inc. and from other concerned citizens of the Town of a used ambulance to replace the current rescue truck and to provide emergency transportation services. Several questions were asked about the Ambulance Service and all answered satisfactorily. Voted in the affirmative.

Meeting Adjourned at 10:42am.

Respectively submitted,
Jane R. Wright
Clerk of Fitzwilliam

BOARD OF SELECTMEN
1995 ANNUAL REPORT

The Board of Selectmen would like to thank all those residents who have shared their time and expertise and served on town committees and boards during 1995. We also recognize and thank our town employees who implement the services that the town requires. The efforts of these two groups along with local organizations who serve our residents enable us to maintain and improve our community. We encourage anyone with an interest in joining these efforts to serve on a board or attend open meetings to voice their ideas.

The Town of Fitzwilliam is in good shape financially. We have no long term debt and have finished the year within the appropriations that you approved at Town meeting 1995. (Otherwise we'd be on our way to jail!) We continue to be members of the NH Public Investment Pool which allows us quicker accessibility to town funds and earns us a favorable interest rate. We anticipate that we will end the year with a surplus and will use part of that to offset property taxes.

This year the Board directed a sales study that was undertaken by our assessor in order to bring our assessed valuations back into line. As you will note below, the Town's portion of the tax rate increased by $1.19. A significant portion of this increase was due to the update and not to increased spending. Some residents saw a decrease in their tax bill while others saw an increase as the update tried to apportion taxes more fairly. The tax base is now $119,895,275 with 71 acres put into current use in 1995. The percentage of equalization should be near 100%. The amount to be raised by taxes for 1995 was $3,024,837 and the tax rate breaks down as follows:

	1995	1994	1993
Town	5.97	4.78	4.73
County	2.23	1.72	1.66
School	17.23	13.48	12.21
Total	$25.43	$19.98	$18.60

During this past year long needed repairs were made to the Town Hall foundation. The Town Hall steeple was repainted and the face of the clock redone with gold leaf. We hope over the next several years to put some money aside to complete the painting of the exterior of Town Hall. We were also able to upgrade the electrical service in the building in order to accommodate the new technology and equipment used to transact business and keep records. We constructed a new salt shed at the Highway department and thanks to the combined efforts of John Tommila, John Holman and others we were able to stay within budget. The Board responded to a petition by town residents and held a special Town Meeting on August 25, 1995. Those attending voted to accept the gift of an ambulance and in the fall of 1995 the Town, through the Fitzwilliam Fire Department, began operating an ambulance service.

This year in our 1996 budget we have addressed ADA (American's with Disabilities Act) projects that will make town buildings accessible to all our residents. Our priority is the library building which, at present, is not handicap accessible. We have requested funds for an upgrade of the Town Hall lift and renovations of the restrooms at the Public Safety Building. Under the direction of our ADA coordinator, Nancy Carney, the town has applied for a grant from the New Hampshire Office of State Planning. If funded, it is a matching grant for 50% of the cost. We ask you to support these projects with your yes vote at Town meeting. The ADA legislation is aimed at helping our neighbors and perhaps ourselves at a future date since this is a minority that anyone can join.

Our major goal for 1996 will be the development of a Capital Improvement Plan(CIP) for the town. Working with the Planning Board and all department heads and supervisors we will develop a five year plan to help prioritize our development and spread the larger capital project dollars.

One rallying issue for the Town this year was the school funding formula. The change that was voted in at the March meeting would have raised our taxes drastically. Thanks to the hard work of John Tommila,

Janice Anderson, Kelley Collins, our Administrative Assistant and many of you, we were able to disseminate information, hold a special meeting and vote to rescind the March vote. For the moment we have won, but we should remain vigilant in attending District meetings and hearings.

One final and sad note, 1995 saw the passing of three very important members of our community. Jesse Davis, who served as our State Representative and on several Town Boards; Wally Angier, a former selectman and most recently Supervisor of the Checklist and Bill Davis, a member of our board who brought humor and a practical eye to our meetings and our decisions. Every time the fire whistle blows during a meeting, we will forever have a vision of him jumping out of his chair and during budget talks we'll remember his "flustrations" about spending that dime. We will miss all for their wisdom and for their contributions to this community.

Thank you for the opportunity to serve the community. Please continue to let us know about any concerns and ideas that you might have, and we encourage you to become involved in your community in whatever way you can.

Peace and prosperity in the new year.

CORRECTION: On the 1995 Warrant the article (#25) which gave permission for the Selectmen to accept approximately 100 acreas for conservation from Mr. Harvey J. Gaseau was mistakenly listed as Lot 12, Map 28. The correct Map is 12 and the correct Lot is 28.

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have audited the general purpose financial statements of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 1995, and have issued our report thereon dated January 26, 1996.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1995, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Fitzwilliam, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

ACCOUNTING APPLICATIONS

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services and accounts payable
- Payroll and related liabilities

For all of the internal control structure categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

Fitzwilliam Village Precinct Report - 1995

The Fitzwilliam Village Common has undergone some changes over the past year. The large spruce, which our fire department has so generously decorated each year has become too large and dangerous to continue lighting.

We have established a new tree in the center of the common which was lit for its first Christmas in 1995. As this tree becomes established and grows, we can look forward to a fine Christmas display.

The on-going maintenance of the railings on the common is being performed. We expect to replace any remaining rotted and failing rails in the early Spring of 1996. The entire fence railing system will then be painted.

The feasibility of establishing the fountain as a self contained re-circulating system as opposed to its present reliance on water from the pinnacle will be examined. The present system leaves us without a working fountain as the water level on the pinnacle drops.

Respectfully submitted,
William F. Connelly/Chairman

POLICE DEPARTMENT REPORT - 1995

Another year has quickly passed us by and for the police department it was another busy one. In the midst of the first half of the year, Officer Raymond Anair started his training at the police academy, which he successfully completed in July. The absence of this officer was noticeable while the other members divided the assignments and calls for service amongst them.

The discovery of a homicide victim in a small quarry in late May left some in the community stunned and in disbelief. Investigation headed by the New Hampshire State Police, using the Fitzwilliam police department as a command center, necessitated several man hours devoted to identifying the victim and those responsible for the crime. The efforts of the law enforcement community paid off with the arrest of eight individuals from the Greenfield, MA area.

Mid way through 1995, the region was connected to the emergency 911 system. Dialing 911 can now get you enhanced emergency response. Though there are still a few "bugs" to be worked out, I believe that emergency services will improve with the development of 911. Realizing that old habits are hard to break, calling 585-6565 or 352-1100 still works!

Interacting with the elementary school children remained a part of the police activity. I experienced great pleasure in assisting Chief Smith of Troy with the D.A.R.E. program this year. Your efforts to continuously support the D.A.R.E. program are very much appreciated. In the new year, I hope to be able to coordinate with the school and lecture on other safety topics such as the importance of seat belts and home safety.

Statistics this year show a decrease in burglaries and criminal trespass. I'd like to believe that this is due to the fact that there is more police presence and second, that the community overall, is taking steps to watch over one another and phone-in suspicious activity. We must continue with these efforts to protect our community

POLICE DEPARTMENT REPORT (continued)

from wrongful invasion. In order for our environment to remain safe and healthy, everyone must be willing to get involved and not "turn the other cheek".

Juvenile problems have been slowly on the rise and this year it was realized more than ever. Several local juveniles found themselves being introduced to the judicial system at various levels. Their crimes ranged from minor vandalism and petty theft to the most serious, a felony. Our kids need our attention and if possible we as a society need to focus some volunteer energy at gathering ideas to develop programs and activities that the kids would enjoy. There is strength in numbers. Many hands make light work. Are we willing?

Accident statistics were average for the year and though there were some that resulted in personal injury, there were no fatalities. There was however, an alarming increase in the number of drunk driving arrests over last year. The risks far outweigh the excuses. Those who drink and drive today, become the traffic statistic of tomorrow.

Through 1995 the police department delivered on its pledge for extended patrol coverage. Scheduling three full time officers in rotation now allows for adequate police presence in the Town. I continue to urge residents to call-in any suspicious activity they observe. Never feel that you are bothering us or feel that your call will not matter. Fitzwilliam police officers are eager to respond and investigate these calls for service.

I'd like to take this opportunity to thank the Board of Selectmen, the Townspeople, and members of the other Town agencies for their assistance and support exhibited throughout the year.

Respectfully,
Bruce L. Newton
Chief of Police

ANIMAL CONTROL REPORT - 1995

Since taking the position of animal control officer May 1, 1995 it has been a busy and interesting year. During the ensuing months, I responded to 186 calls including; lost dogs and cats, plus cows and horses walking our town streets, snakes in kitchen cabinets, ferret attacks and possible rabid raccoons and coyotes. I am happy to report we had no animal testing positive for rabies in town this year. We had one moose and several deer plus four dogs killed on our roads in town.

Please remember after you register your dog to put the tags on its collar. Should your dog get lost it will make it much easier to return your dog to you, not the Humane Society.

Below is a list of the statistics from May 1 until the end of the year. My thanks to all who have helped me this past year.

- 186 calls for assistance
- 46 stray dogs - 38 of which were returned or adopted
- 4 dog bites
- 12 fines issued - collecting $450
- 120 warnings issued

Respectfully submitted,
Warren S. Hall
Animal Control Officer

ROAD AGENT'S REPORT 1995

The Fitzwilliam Highway Department had a productive year. All major projects were completed. The town now has a new salt shed. Many thanks to John Tommila for overseeing the construction of this shed and for keeping the cost within budget.

Major ditching and culvert work was done to the following roads: Royalston, Old Troy, Cross, Tree Farm, Holman, Howeville and Dunton. The following roads were treated with sand or stone seal: Warren Hill, Dunton, Webber Lane, Tree Farm, Holman, and Howeville. I have requested $20,000 in the 1996 budget for sealing of more roads.

All dirt roads were graded three times during the year. During the fall grading, 1000 tons of 1 1/2 gravel was applied to various roads. I have requested funds in the 1996 budget for another 500 tons of 1 1/2 gravel.

In the fall, 900 tons of asphalt grindings were put on a section of Templeton Turnpike from Sandy Hollow Road to the Lafave residence. A stone seal was put on top of the grindings. I have requested money in the 1996 budget to purchase more grindings in order to continue to upgrade our gravel roads.

I have also requested money in the 1996 budget to do the following projects:

-1 3/4" overlay of Royalston Rd. from Rte 119 to Holman Road

-Repair the intersection in Bowkerville at the junction of Upper Troy Rd, Rockwood Pond Rd, Bowkerville Rd. and South Street

-Reclaim and overlay .5 miles of Fullam Hill Rd. from Abel Rd, to the foot of the hill by the Longever residence.

-Leveling course of hot top on Jaffrey Rd.

-Replace culvert on Bowkerville Rd., by Meadowood Assembly Hall.

All equipment is in good mechanical shape so, at this time, I am not requesting funds for additional vehicles.

I would like to thank all Department Heads, Selectpersons, and Townspeople for their assistance

and support throughout the 1995 year.

Respectfully submitted,
Edwin O. Mattson, Jr./Road Agent

RECYLING REPORT FROM THE TRANSFER STATION - 1995

A total of 531 tons of waste came through the gates during the year. Forty-two percent of that amount was recycled and taken out of the mainstream of waste. The other fifty-eight percent was taken to a landfill or incinerator.

This year we enjoyed premium prices for our recyclables. The market fell in the fall and we do not expect to see the market as strong in 1996 as it was in 1995.

In 1996 we have to make some changes in the way we except demolition debris. The laws are changing and we will not be able to bury everything as we do now. We will have to start separating and bury some while some will have to go to a landfill. No treated lumber or painted lumber will be allowed in the burn pit. During the summer we will be adding a dumpster to handle the items we cannot bury or burn.

A reminder to everyone that we cannot except any hazardous material during the winter months, the company that takes our waste cannot have it freeze. During the summer months, there are times that we will have to close the burn pit and cannot accept any items. This occurs when the pit is full and weather conditions prohibit burning.

I would like to thank the staff at the Transfer Station and you, the Townspeople for making our recycling center a success.

FIREWARD'S REPORT - 1995

1995 CALLS

Fitzwilliam Fire Department responded to 202 calls for the period from December 1, 1994 through November 30, 1995. This was a decrease from the 1994 total of 229 calls and represented the first decrease in several years. There were 4 structure fires, 6 brush fires, 4 motor vehicle fires, and 13 Mutual Aid fire calls to other communities; there were 27 calls for various fire related matters such as automatic fire alarms, smoke investigations, electrical fires, oven fires, and illegal burns, among others.

The Department also responded to 104 medical emergencies, 20 motor vehicle accidents and 9 Mutual Aid medical calls.

PERSONNEL, TRAINING AND EDUCATION

The Department now has 34 active members. Of these 20 are active as both fire fighters and rescue personnel. Eight serve as fire fighters only and 6 serve as rescue only. Of the 28 fire fighters, 17 are New Hampshire certified fire fighters. Presently we have 24 members certified to provide medical care. Of these two are EMT-Is (intermediate) and 12 are EMT-Bs (basic). One of the EMT-Is is certified for medication administration. Along with our EMTs we have 4 advanced first aiders and 6 emergency responders. Eighteen of our personnel are certified on the Fibrillation Machine and 5 are certified for the Esophageal Obturator Airway (EOA).

Along with the monthly fire and rescue drills, during 1995, 3 members took the Fire Fighter One (Certified fire fighters) course, 7 took the EMT-B course, and 2 took the EMT-I course. In addition 2 members completed their recertification for EMT-B level. Currently 3 members are in training for the EMT Basic course at the Cheshire Medical Center.

Members also took courses at Meadowood during 1995 in Hazmat Awareness, LP Gas, SCBA, Incident Command, and Fire Ground Safety Officer. Extra EMS courses taken by members during 1995 included Cardiac Rhythm Interpretation, Critical Trauma Course, and EOA.

During 1995, 30 of our members were either certified or recertified in CPR for the professional rescuer.

For the public, we have had Open Houses, Fire Prevention exercises and demonstrations at Emerson School, as well as offering CPR courses. Citizens are welcome at any time to tour our facilities, meet our members and look over our vehicles and equipment.

VEHICLES

Our inventory of fire vehicles did not change in 1995. The 1973 Mack Pumper, 1978 Ford Pumper, 1970 Mack Pumper and 1978 Mack Tanker continue to be in good to excellent condition. Although all of these vehicles are fairly old, we try to monitor maintenance closely to keep our problems to a minimum. However, due to the ages of these vehicles, the potential for problems is always increasing. Be that as it may, we believe it is more prudent to continue to make due with these well built and well maintained older units than to take a chance on an expensive new unit for so long as that is possible.

As a result of a Special Town Meeting vote in late August, the Town acquired an ambulance. This was financed by a trade-in on the 1977 Chevrolet Rescue Truck together with a generous donation from the Gap Mountain Lions Club and generous support from the Little Monadnock VFW Post 10289. With the cooperation and assistance of a great many people rearranging equipment, installing air tanks on one of the pumpers, and doing minor body work and repainting of the ambulance, it was placed in service on September 15. From that time to the end of the year it made 38 calls and has been of great help to the Town.

1996 BUDGET

The Firewards have presented a budget for the coming year which is comparable to last year's operating budget. It included the usual repair and maintenance items plus some ongoing requests for acquisition of equipment such as fire fighters' gear and paging devices. We believe that we are now in a position that our equipment purchased each year is keeping up with the needs of our personnel.

We are also continuing our strong commitment to our training budget. As noted in the PERSONNEL section most all of our members have certain levels of basic fire

fighting and rescue training. In addition many members have taken and are taking advanced courses as well as recertification for the levels they have already attained. The Board of Firewards appreciates the support of the Budget Committee and the Board of Selectmen in keeping this portion of the budget intact. It certainly is for the benefit of the Town. The cost to the Town of having full time personnel with this type of training would be substantial.

AUXILIARY

We again offer our thanks to those individuals who serve so loyally in our Auxiliary both in their devotion to money raising projects such as the community calendar and for assistance at major incidents for the preparation and delivery of food to members.

We also thank all of those who advertise in and support the Fitzwilliam Community Calendar.

HOUSE NUMBERING COMMITTEE REPORT
1995

Although we worked hard in 1995, we ran into unanticipated delays in completing the House Numbering Project. As this report is being written on January 7 to meet a January 8 deadline, we can now report that all houses have been assigned numbers which must still be checked against the state made maps. In addition, the state still needs to make some revisions to these maps. We cannot release these numbers to you until the last check for accuracy is made. You have seen many new street signs, as well as posts to be used for house numbers at the foot of long driveways. These are all part of our project.

It is our hope that we will, in 1996, have a minimum of unanticipated delays and that by early March you will have received your assigned number and that the Fitzwilliam Firefighters will shortly thereafter start to install the town-furnished house number plates.

For more current information watch for articles in the Fitzwilliam Newsletter.

The Committee would like to thank you for you patience. We ask you to please not call to inquire what your house number will be. In order to avoid errors we must not issue numbers until the final assignment has been reviewed. This information will be mailed to you as soon as it is available for distribution.

Conservation Commission
Annual Report

This is the third year we have mentioned the natural resource inventory audit. As I write this report the inventory is going to press. There will be copies in the selectmen's office and the library for inspection and enjoyment. We would like to thank everyone who contributed to this challenging and time consuming venture.

The commission met in August with the president of the Friends of Pisgah, the group that is monitering the maintenance and use of the rail beds that the State purchased from Guilford Industries. The major maintenance work this year has been done by John Holman and the snowmobile group. The Conservation Commission has an interest in the rails to trails movement and will continue to encourage the use of them as bike, horseback and walking trails. Since federal money was used by the State to buy the rail beds, the federal law that prohibits all motorized vehicles except snowmobiles will prevail.

The Conservation Commission funded the Adopt-a-Mile program which was organized and implemented by Carey Bluhm. We also funded the trees that were distributed on Earth Day. This project was organized by Bruce McLaughlin.

The Commission is requested from time to time to do a site walk on property where there may be some impact of development on the wetlands.

Industrial & Commercial Development Commission
Annual Report

In 1995 the Industrial & Commercial Development Commission (INCOM) completed its first full year of operation. We continue to expand and fulfill original objectives. Following are some projects that the commission has worked on:

The building on Route 12 owned and formerly occupied by C.R. Bard was rented in mid-year to the Holos Corp.

-Manufacturer of holograms
-Occupies 40K sq. ft. of the 75K sq. ft. plant and will sublet the balance.
-Creates up to 120 jobs with plans to employ up to 420 people in the future.

The installation of an automatic teller machine (ATM)

-Owned by Granite Bank
-Located at the Common Marketplace
-Hours of operation. 6am. to 9pm.

The Fitzwilliam Business Directory

-Finalized and published in July 1995
-Lists name and location of over 100 Fitzwilliam based businesses.

The Business Visitation Program

As a result of meeting with the Department of Resource and Economic Development (DRED) of the State of N.H., a business visitation program was organized. Our goal is to promote the towns economic development while expanding and retaining existing businesses. Members of INCOM interviewed key personnel of 10 local businesses using a format provided by DRED. The survey results were analyzed by INCOM and by DRED and are available from INCOM.

The visitation program is an ongoing effort. If any businesses would like to participate they may contact the commission. The visitation allows businesses to be in touch with government officials and provides helpful information.

The Video program

The commission has agreed to accept an offer for the services of a Fitzwilliam resident, Mr. Joseph Pagano, to prepare and produce a 15 minute video highlighting the features of Fitzwilliam.

The video will cover the four seasons and show quality of life, recreation, education, the arts, town government/administration, industry and incentives for location in town.

When completed the video will be made available to banks, real estate agencies and those capable of promoting our town. Copies will be in the town office for those who indicate an interest in locating to Fitzwilliam.

INCOM's progress has been rewarding. As we continue to work with the mandate provided at Town Meeting 1994, we are interested in the suggestions from town residents. The commission meets the second Monday of each month at 7 pm at the Town Hall. Meetings are open to the public and attendance from all citizens are welcome.

Report of the Monadnock Advisory Commission to the Towns of Jaffrey, Dublin, Marlborough, Troy and Fitzwilliam

The Monadnock Advisory Commission is charged by the State of New Hampshire under RSA 258:1 to advise and guide the Department of Resources and Economic Development on management of their lands and leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The lands are located on Mt. Monadnock, Gap Mountain and the Little Monadnock Mountain.

In 1995 the Commission held one public meeting. This meeting met our statutory obligation. The Commission was busy with carrying out its responsibilities for the Monadnock Management Plan.

The Commission worked with the Town of Jaffrey on placing the new 500,000 gallon water tank on Jaffrey land next to the State Park and Town Reservoir.

The public is encouraged to contact their Commission members with suggestions and comments. Members of the Monadnock Advisory Commission are:

Jaffrey: H. Charles Royce, Peter B. Davis
Dublin: Betsy Harris, Bruce McClellen
Marlborough: James Everand, Ernie Linders
Troy: David Adams, Ira Gavin
Fitzwilliam: Daniel Leary, Thomas Parker

PLANNING BOARD

The Planning Board's main focus of attention this year has been the completion of the Town Master Plan. The Planning Board has worked with a planning consultant throughout the year and has completed an update of this document. These booklets are available in the Selectmen's Office. This document is a valuable source of information regarding policies and goals of community growth and future development of the town.

We have also completed an update of the current Zoning Regulations under Section 127-15, Floodplain Overlay District, pertaining to the Federal Emergency Management Agency Flood Insurance Program. The Planning Board is in the process of rejoining this program to enable town residents in the designated Flood Zones the opportunity to purchase Flood Insurance through this program. The adoption of these amendments will be on the Town Warrant to be voted on at Town Meeting.

Meetings of the Planning Board are held on the first and third Tuesday of each month at 7:00 p.m. in the Town Hall. All meetings are open to the public and we encourage your attendance and participation.

Respectfully submitted,
Terry Silverman, Chairman

HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews applications for any exterior construction to properties located within the Historic District. All applicants seeking to obtain a building permit within the Historic District must adhere to the guidelines set forth in the Historic District Regulations.

In 1995 the commission heard four cases; two were requests for renovations, one was a request for a barn removal, and one was for a sign approval. All requests were approved, some with stipulations.

The Historic District Commission meets the first Thursday of each month at 4:00 p.m. at the Town Hall whenever there are one or more completed applications to be considered. All meetings are open to the public and we encourage your attendance and participation.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals and administers special provisions in the Town Ordinances dealing with Variances, Special Exceptions and Administrative Decisions in order to provide for the satisfactory resolution of many of these situations without burdening the courts.

In 1995, the Board heard eleven cases; ten were requests for Variances, seven were approved, three were denied, and there was one Appeal to an Administrative Decision, which was denied.

The Board meets at the Town Hall on the third Monday of the month at 7:30 p.m. whenever there are one or more completed applications to be considered. Hearing notices must be posted in town and advertised in the newspaper. Individual notices are mailed to abuttors. The meetings are open to the public and we encourage your participation.

CODE ENFORCEMENT OFFICERS REPORT 1995

During 1995 there were sixty-four building permits issued for construction projects in Town. For the same period there were seven occupancy permits issued, including one Church.

Residents should consider that a building permit is required for all construction projects unless you receive other directions from the Land Use Office. Please feel free to call this office regarding construction requirements, during office hours.

TOWN HALL AGENT'S REPORT 1995

The Town Hall was rented twenty-five times in 1995, which was an increase over prior years. The renters of the building included:

Fitzwilliam Water District
Emerson School
District Nurse Association
Elliot Institute
Fitzwilliam Historical Society
Fitzwilliam Library
Fitzwilliam Recreation Committee
Fitzwilliam Sewing Circle
Home Health Care & Community Svcs.

The maintenance and repairs to Town Hall this year included extensive work on our steeple, re-building the stone wall that is the foundation for the building, as well as an upgrade of the interior electrical system including some additional lighting.

We will be asking for your support to air condition the offices in Town Hall in 1996 and to set aside funds for a future repainting of the main Town Hall building. Please remember that you are always welcome to come in and look over this historic building.

We are writing this report on behalf of Mr. William H. Davis, Jr. who served as our Building Agent until his passing in September of this year. We appreciated his dedication to the Town and particularly to the Town Hall. We continue to seek someone to fill Mr. Davis' shoes, in this capacity, and welcome applications from residents.

Board of Selectmen

Recreation Commission

Letters of resignation were regretfully accepted from Sheila Hamilton and Jerry Walz. The commission welcomed the appointment of Janet Meatty this past year.

Winter

Unlike past winters we had snow to ski on. Trailmeister Dan Leary did an excellent job of grooming the cross country trails and maintaining the sledding and snowboard hills. Many hours are spent out in the cold getting the area ready for us to enjoy.

A small hardy band of cross country skiers in grades one through six braved the trails. The traditional end of season cookout was enjoyed by all at the top of the large ski hill. Cross country ski instruction was provided by Melissa Grab.

Rental of the ski equipment for private use continues to be popular. However, the equipment is becoming tired and some replacement will need to be made in the next few years. Registration and rental fees have been set aside for this purpose.

Summer

Ninety seven children enjoyed a little over five weeks of fun at Summer Recreation. Trips to pick blueberries, play miniature golf, and to Whalom Park were highlights. Each day was filled with games, arts & crafts and drama under the direction of Scott Hyde and his dedicated staff. The children enjoyed the use of the Fitzwilliam Inn pool for daily swimming lessons. The hospitality of the Inn and the Wallace family is greatly appreciated on those hot summer days.

Soccer

The 1995 Fall Soccer Season officially ended with the annual dessert/awards banquet on November 15 at the V.F.W. hall. This concluded our eighth successful season of soccer. The program continues to grow with over 200 children participating in grades one through eight. Without volunteers we would not have had this great program.

Road Race

What would have been the Sixth Annual Charlie Wallace Memorial Road Race was not held. This event, like many of the Recreation programs, is dependent upon a large number of volunteers. There was little response for assistance with pre-race activities, a key element to running a safe and successful race. When it became clear that the volunteer support was not available the race was cancelled. A number of people have contacted the Commission and expressed their desire to see the race return in 1996. If you are interested in working on the Race please contact a Commission member.

Town Wide Tag Sale

A few years ago the Commission approached the Fitzwilliam Community Church with the idea of holding a Town Wide Tag Sale Day on the same day as the Church's Annual Flea Market. Although it did not happen at that time, the Church Trustees approached the Commission and suggested we give it a try in August 1995. By sharing the responsibilities and coordinating our activities the day was a great success. A brochuere listing the events of the day, which expanded to include the Baptist Church Dinner, the Library Book Sale, the Elliot Institute Band Concert and a map of the Town showing the location of private tag sales was available to the public. The weather cooperated on the day of the event and the buyers came. The 1996 Town Wide Tag Sale will be held on August 10. Look in the June Fitzwilliam Newsletter for registration details.

As previously mentioned, the Commission relies heavily on the support of volunteers. We'd like to thank all those that supported us this past year: Emily Welch, Melissa Grab, Mike Grab, Cheryl Welch, Ted Smith, Suzanne Smith, Alicia Welch, Lola Grab, Dan Leary, Loenzo Cuccinello, Soccer Volunteers of the Year, Janet Meatty and Jeremy Kinney, Soccer Coaches of the Year, Gerardo Acosto and Daryll Meatty, Debbie Acosta, Nat Haynes, Chris Flood, Martha Haynes, Bob Standfelt, John Letendre, Dennis Piorier, Kim Patterson, Steven Daniels, Bob Bud, Paul Cartier, Mike Small, Steve Sawyer, Ray Miller, Chris DeMarisico, Carol Graf,

Darlene Granger, Wayne Kassotis, David Kinney, Ryan Killeen, Justin Killeen, Nicholas Kassotis and Gayle Kadlik. We'd also like to extend our appreciation to Fitzwilliam Community Church Trustees Kirsten Prigge, Mac Landy and Rob Jackson, Gus & Susan Hoyland of The Common Marketplace, the Little Monadnock Post V.F. W. , the Emerson School, the Wallace family and the Fitzwilliam Inn. This support exemplifies the community spirit that enables us to continue our many programs.

LIBRARIAN'S REPORT 1995

Circulation of materials remained constant in 1995 with a total of 18,452 items loaned. Added to the collection were 496 books, 44 videos, 31 audio books and 40 periodical subscriptions. Our ongoing weeding and inventory resulted in the discarding of 781 books to keep our collection at around 15,000 volumes. As our building was designed to hold 10,000 volumes, space continues to be at a premium.

Through our computer linkup to the New Hampshire Automated Information System, we were able to search for and borrow 242 books for patrons as well as to loan 126 books to libraries across the state. NHAIS provides us with access to more than 1,000,000 titles as well as WEBSTER, the NH State Government Online Information Center.

The inventory project is in the last stages now. Next year we look forward to barcoding our books and patrons, as we begin the retrospective conversion of our records that will allow us to automate our circulation as well as our catalogs. A new computer, rewiring and remodeling of the front desk area will also be necessary. We are hoping to use grant money to accomplish some of these goals.

In our ongoing building renovations we completed roof work this year as well as the installation of a new septic system. New landscaping was added through volunteer efforts. We particularly thank the Fitzwilliam Garden Club.

Though our much needed building repairs have resulted in a "healthier" building, our immediate goal must now be to focus on meeting the ADA requirements as best we can. In 1996 we have applied, through the town, for matching funds to add a handicapped entrance to the side of the building. In addition, we continue to provide shut-in service to any in the community who cannot make it into the building.

LIBRARIAN'S REPORT 1995 (continued)

In 1995 we continued our history of diverse programming with 52 programs offered and 1342 people in attendance. Highlights of the year included Avian Adventures with the NH Audubon Society, a magic show with Michael Wald, seasonal storytellers, Starbird Puppet Theater and 32 weeks of preschool storytime.

Our summer reading club, Saddle Up a Good Book, was a resounding success. We registered 80 readers in grades 1 through 6 who read 517 books and 43,290 pages. Activities included Western crafts, horse care, a hoedown and The Little Red Wagon show. Preschoolers enjoyed storytime with guest storytellers and shared books with their families in their own read-to-me club.

The Friends of the Library continued to be a vital force at the library. In addition to programming and the summer reading club, a paperback carousel, audio books, videos and books in the health, travel and arts sections were purchased by the Friends. All of this was accomplished with funds from dues as well as the annual book sale. This year corporate sponsors to the Friends allowed us to enjoy several spectacular programs. Thanks to Kennedy Publishing, Tommila Brothers, Casey J's Restaurant and Clocks on the Common for their support.

In other news, Assistant Librarian Deborah Chipman took 2 Library Technique courses on reference and children's literature. In addition, Deb and I attended a 3 day course on effective reference training in order to better answer your information needs.

Finally, many thanks to all our wonderful volunteers, Judy Hancock, Olga Rankin, Harriet Underwood, the Friends and to all the others along the way who make this a special place to be.

Report of the Plante Memorial Park

Last spring the flowers around the big stone wall did very well. Two trees were planted to replace some that had been cut down. We hope to purchase two more this year. We will be working on the problem of water around the flag pole area, repairing the walkways and liming, fertilizing and seeding some of the areas in the park.

MEMORIAL DAY 1995

The annual Memorial Day Observance was once again a success due to the willing participation of many townspeople. Volunteers are appointed after Town Meeting in March to serve on the committee, but much of the work is done by other members of the community. People have always helped out willingly and this makes serving on the committee a real joy. Our day of remembrance for those who gave their lives while in service to their country has historically been observed with a parade and two ceremonies.

The parade began as usual at 10 a.m. with the VFW serving as color guard. Also in the parade were the Fitzwilliam Girl Scouts, Brownie Scouts, Boy Scouts, Cub Scouts, the Monadnock Regional High School Band, Fitzwilliam Fire Department, and the 4-H. The theme of the Town Hall Ceremony was children observing Memorial Day. With that in mind, the readers were high school students Keith M. Jackson and Melissa L. Grab and the soloist was sixth grader, Martha Haynes. This was the last ceremony attended by former Selectmen William Davis and Wallace Angier; we will miss them both.

Following the parade to the Depot, a ceremony was held in Plante Memorial Park. Maureen Gillespie, a fourth grader at Emerson School sang the Star Spangled Banner. Mrs. Catherine Favreau read a letter from Howard Holman about past Memorial Days in Fitzwilliam.

The committee would like to thank all who participated in making the day a success. The list of thanks is very long; we would like to offer special thanks to Ed Mattson, Robert Dunton, the Police Department, and the Little Monadnock VFW. Our observance of Memorial Day would be incomplete if we did not recognize those still living who have served this great country in the armed forces. You have given of yourselves and we thank you.

REPORT OF THE CEMETERY DEPARTMENT
1995

The Cemetery Department did considerable work on repairing cemetery lots and pruning trees. We cleared dead wood and trash to make room to dump the leaves. One of the first orders of business for the new year will be the repair of the tool house.

We hope to put in the new road down to Pine Grove so that we will be able to sell additional lots in that area. This will also require the removal of at least two trees in that area.

Next year we will be looking at repairing the roads at the Village Cemetery which have not had any attention in many years. This will also require the removal of at least one of the big maple trees and the trimming of others

In the Village Cemetery there were:

1 burial and 3 cremations

In the Pine Grove Cemetery there were:

6 burials and 4 cremations

HOME HEALTH CARE AND COMMUNITY SERVICES REPORT TO FITZWILLIAM - 1995

In 1995, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Fitzwilliam. The following information represents a projection of HCS's activities in your community in 1995. The projection is based on actual services provided from January through September 1995 and an estimate of usage during October, November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED	SERVICES SUPPORTED BY THE TOWN
Nursing	859 Visits	14 Visits
Child Health Nursing	0	0
Physical Therapy	86	0
Speech Pathology	2	0
Occupational Therapy	0	0
Medical Social Work	14	0
Nutritionist	0	0

Health Promotion Clinic	2	2
Meals on Wheels	1,697 meals	1,697 meals

Total Unduplicated Residents Served: 85

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 1995 with all funding sources is projected to be $135,157.00.

The total cost of services provided for a partial fee, or at no charge to residents in 1995 is projected to be $3,326.70 for home care and $1,404.00 for Meals-on-Wheels.

HOME HEALTH CARE REPORT (continued)

For 1996, we recommend an appropriation of $6,500 to continue home care services at the current level. We also recommend an appropriation of $934 for the Meals-On-Wheels Program.

Thank you for your consideration.

American's with Disabilities Act (ADA)
Annual Report

The American's with Disabilities Act (ADA) was established by the Congress in 1990. The intent is to increase accessibility, employment opportunities and services to the millions of Americans who are disabled.

The Town of Fitzwilliam has been addressing the ADA and much progress has been made. The town has completed the self assessment and the transitional plan, addressing all facility and program needs of the town and the people.

This past year Fitzwilliam has participated in a pilot program with Southwestern Regional Planning Commission. The end result of this pilot program is being eligible for grant money to assist the town in improving its' accessibility. Three areas of need that the grant may help to fund have been identified as an accessible entrance to the library, renovating the bathrooms at the Public Safety Building to make them accessible and replacing the chair lift in the Town Hall with a platform lift.

The transitional plan is available for review in the Town Hall. Anyone who would be interested in serving on an advisory committee for the ADA should contact the Selectmen's office. Also, any individual who needs special accommodations for any town function or town service should notify the Selectmen's office in advance to ensure the accommodations can be done in a timely manner.
